Board of Commissioners

RE: Archaeological Permit No. 1946

Dear Wilt:

Enclosed is your archaeological permit for the following project: Southern Low Corridor (SFC) Project in Tillamook County. It was sent to CIS for the most appropriate tribe(s):

Confederated Tribes of Grand Ronde

Confederated Tribes of Siletz

Copies were also sent to the landowner, the Tillamook County planning department and OSMA. Replies were received from (attached).

Exploration shall consist of the following:

Up to 200 30cm diameter shovel probes may be excavated in the project area. All probes and test units will be excavated in 10cm levels to a minimum depth of 50cm below surface and two sterile levels, where possible. All sediments will be screened through 1/8 inch mesh and all cultural material will be collected by unit and level.

Please contact me if you have any questions.

Sincerely,

Matt Diederich, MAIS

STATE OF OREGON

ARCHAEOLOGICAL EXCAVATION PERMIT NO. AP-1946

The State of Oregon, acting by and through its Parks and Recreation Department, hereinafter called STATE, under authority of ORS 390.235, hereby grants to Julie Wilt, hereinafter called PERMITTEE, a permit for purposes of excavation and removal of archaeological, historical, prehistoric, or anthropological materials. This permit is granted subject to the following terms and conditions.

1. Term.

PERMITTEE may conduct survey, excavation, and collection work from 8/11/2014 to 8/12/2015 provided that reasonable supervision, as provided hereinafter, is exercised.

2. Location.

This permit shall apply to lands owned by the State of Oregon, a city, county, district, or municipal corporation in Oregon, or private property, more particularly described as follows:

Southern Low Corridor (SFC) Project

T1S R10W 14, 22, 23

Tillamook County

3. Supervision

The design and work in connection with the survey or excavation, including exploratory excavation and collection, shall be personally supervised by Julie Wilt.

4. Compliance.

PERMITTEE shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances.

5. Exploration shall consist o

Up to 200 30cm diameter shovel probes may be excavated in the project area. All probes and test units will be excavated in 10cm levels to a minimum depth of 50cm below surface and two sterile levels, where possible. All sediments will be screened through 1/8 inch mesh and all cultural material will be collected by unit and level.

6. Indemnification.

PERMITTEE agrees to defend and hold STATE, its officers, agents, and employees harmless, and shall require its contractors to do the same, from any and all claims, damages, or expenses of any kind suffered or alleged to be suffered on the lands described in paragraph 2 or arising out of or in connection with the activities of PERMITTEE or its contractors pursuant to this Permit.

7. Insurance.

PERMITTEE shall obtain at PERMITTEE's expense, and keep in effect during the term of the Permit, comprehensive or commercial general liability insurance covering personal injury and property damage. This insurance shall include contractual liability coverage for the indemnification provided under this Permit. Coverage limits shall not be less than the limits of liability set forth in the provisions of ORS 30.270(1) as now in effect or as hereinafter amended. Such provisions now require that the coverage limits not less than \$500,000 combined single limit per occurrence. The insurance shall be in a form and with compliance acceptable to STATE. Such insurance may be evidenced by certificates or copies of policies. Such evidence shall be provided to STATE prior to the commencement of any operations or activities under this Permit.

8. Records.

PERMITTEE shall submit a final excavation report by 8/11/2016 to the State Historic Preservation Office and the Oregon State Museum of Anthropology. If PERMITTEE is conducting an excavation associated with a prehistoric or historic American Indian archaeological site, then PERMITTEE shall also submit copies of the Final Report to the Commission on Indian Services and the following tribe(s):

Confederated Tribes of Grand Ronde

Confederated Tribes of Siletz

9. Custody.

All archaeological, historical, prehistoric, or anthropological materials recovered under this permit shall remain under the stewardship of the State of Oregon and shall be curated by Oregon State Museum of Anthropology. Any change in custody must be approved by the Oregon State Museum of Anthropology in accordance with ORS 390.235. Prior to submitting the materials to the permanent curation facility, the appropriate tribe(s) must be given 30 days to view all archaeological materials to ensure that funerary objects, sacred objects, and objects of cultural patrimony are returned to tribal ownership per state law (ORS 97.740).

10. Notification

- a. If PERMITTEE is conducting an excavation associated with a prehistoric or historic American Indian archaeological site, PERMITTEE shall notify in writing the most appropriate Indian tribe. The notification shall include:
 - i. The location and schedule of the forthcoming excavation;
 - ii. A description of the nature of the of the investigation; and
- b. Upon discovery of an archaeological object which is demonstrably revered by any ethnic group, religious group, or Indian tribe as holy, which object was or is used in connection with a religious or spiritual service or worship of a deity or spirit power, i.e., a "sacred object", PERMITTEE shall notify in writing:
 - i. The State Historic Preservation Office; and
 - ii. The appropriate ethnic group, religious group, or Indian tribe with which the sacred object is associated.

11. Consultation

If PERMITTEE is conducting an excavation associated with a prehistoric or historic American Indian archaeological site, PERMITTEE shall consult with a representative of the appropriate tribe to establish a procedure for handling sacred objects recovered during the excavation.

12. Conditions.

13. Revocation.

Failure to comply with all terms of this Permit, in addition to any agreed upon conditions, may lead to its immediate revocation.

RE: Archaeological Permit No. 1946

Dear David:

Enclosed is an archaeological permit application submitted to State Parks by Julie Wilt.

It is the responsibility of our department to forward all such applications to those parties described under ORS 390.235. Landowners should have been contacted by the applicant for access and disposition of artifacts (private lands).

Please review this application, mark your evaluation below, and return it to us with any comments. If we do not receive a response within thirty (30) days from the date of this notification, we will assume you have no objection to this permit.

Please note: information relating to the location of archaeological sites or objects needs to be kept confidential.

Thank you for your cooperation. Please contact me if you have any questions.

Sincerely,

Matt Diederich, MAIS

RE: AP 1946; Southern Flow Corridor

Dear Matt,

The Confederated Tribes of Grand Ronde have the following comments regarding this project:

1. The Tribe will be provided the opportunity to have Tribal Consultant on hand for all field work under the permit.
2. Final Report will be submitted to the Cultural Resources Department; digital format is requested.
3. The Tribe will be able to view all archaeological material prior to return to the permanent curation facility/destination indicated in the application to ensure that funerary objects, sacred objects, and objects of cultural patrimony are returned to Tribal ownership as per State Law.

Should you have any questions, please contact me at (503) 879-2185.
