Publications prepared by and for the Tillamook Bay National Estuary Project

- TBNEP 1994.** Biochemical Water Quality Issues in Tillamook Bay and Watershed: Summary of a TBNEP Scientific/Technical Advisory Committee Forum. Prepared by Jessica Miller and Ralph J. Garono, Ph.D. December.
- TBNEP 1995a.** Impacts of Erosion and Sedimentation in Tillamook Bay and Watershed: Summary of a TBNEP Scientific/Technical Advisory Committee Forum. Prepared by Jessica Miller and Ralph J. Garono, Ph.D. January.
- TBNEP 1995b.** Fish and Wildlife Issues in Tillamook Bay and Watershed: Summary of a TBNEP Scientific/Technical Advisory Committee Forum. Prepared by Jessica Miller and Ralph J. Garono, Ph.D. February.
- Plummer 1995.** Inventory of the Management Framework for Tillamook Bay National Estuary Project Priority Problems: Phase I of the Base Programs Analysis. Prepared by George Plummer. June.
- Nehlsen and Dewberry 1995.** Tillamook Bay Watershed Analysis Framework. Prepared by Willa Nehlsen, Ph.D. and T. Charles Dewberry, Ph.D. The Pacific Rivers Council. July.
- Griffin 1995.** Identification and Distribution of Subtidal and Intertidal Shellfish Populations in Tillamook Bay, Oregon. Prepared by Kerry F. Griffin. July.
- Strittholt and Frost 1995.** Landscape Change in the Tillamook Bay Watershed. Prepared by James R. Strittholt, Ph.D. and Pamela A. Frost, M.S., Earth Design Consultants. November.
- Kujak 1996.** Spatial Analysis of the Bridges of Tillamook County. Prepared by Sarah Kujak as a cooperative effort with Tillamook Bay Community College and TBNEP.
- Coulton et al. 1996.** An Environmental History of the Tillamook Bay Estuary and Watershed. Prepared by Kevin Coulton, P.E., Associate, and Philip B. Williams, Ph.D., P.E., President, Philip Williams and Associates, Ltd. With Patricia A. Benner, Oregon State University and assistance from the Tillamook Pioneer Museum. Includes a historic map of the Bay image. June.
- Strittholt and Frost 1996.** Determining Abundance and Distribution of Eelgrass (*Zostera* spp.) in the Tillamook Bay Estuary, Oregon Using Multispectral Airborne Imagery.

Prepared by James R. Strittholt, Ph.D. and Pamela A. Frost, M.S., Earth Design Consultants. September.

Bostrom and Komar 1997. Rocks of the Tillamook Bay Drainage Basin, the Coast Range of Oregon - Sources of Sediment Accumulation in the Bay. Prepared by Gregory Bostrom and Paul D. Komar. College of Oceanic and Atmospheric Sciences, Oregon State University. March.

Komar 1997. Sediment Accumulation in Tillamook Bay, Oregon: A Large Drowned-River Estuary. Prepared by Paul D. Komar, College of Oceanic and Atmospheric Sciences, Oregon State University. May.

Griffin 1997. Eelgrass Ecology and Commercial Oyster Cultivation in Tillamook Bay, Oregon. Prepared by Kerry Griffin. July.

Houck et al. 1997. Invertebrate Fauna of Tillamook Bay. Prepared by Dr. B. Houck, Dr. S. Kolmes, L. Fergusson-Kolmes, and T. Lang, University of Portland, Portland, OR. September.

Golden et al. 1998. A Biological Inventory of Benthic Invertebrates in Tillamook Bay. Prepared by James T. Golden, David M. Gillingham, Vicki Hoover Krutzikowsky, David Fox, John A. Johnson, Roger Sardia, Steve Hammond, of Oregon Department of Fish and Wildlife. March.

Mills 1998. Forest Roads, Drainage, and Sediment Delivery in the Kilchis River Watershed. Prepared by Keith Mills, P.E., Staff Geotechnical Engineer, Forest Practices Program, Oregon Department of Forestry. March.

Bernert and Sullivan 1998. Bathymetric Analysis of Tillamook Bay ~ Comparison Among Bathymetric Databases Collected in 1867, 1957 and 1995. Prepared by Joseph A. Bernert and Timothy J. Sullivan. March.

Sullivan et al. 1998a. Water Quality Monitoring in the Tillamook Watershed: Results of a One-Year Periodic Monitoring and Storm Sampling Program. Prepared by T. J. Sullivan, J. M. Bischoff, K. B. Vache (E&S Environmental Chemistry), M. Wustenberg (Kilchis Dairy Herd Services), and J. Moore (Oregon State University). April.

TBNEP 1998a. Tillamook Bay Environmental Characterization: A Scientific and Technical Summary. Editors: Roxanna Hinzman and Steve Nelson, TBNEP; JoAnne Booth, Booth Media Services.

McManus et al. 1998. Sediment Sources and Accumulation Rates in Tillamook Bay, Oregon. Prepared by J. McManus, P.D. Komar, G. Bostrom, D. Colbert, and J.J. Marra. GIS data is available. August.

- Charland 1998.** Reconnaissance Survey of Tide Gates in Tillamook Bay Vicinity. Prepared by Jay Charland, TBNEP. August.
- Sullivan and Eilers 1998.** River Water Quality Monitoring Plan for the Tillamook Bay National Estuary Project. Prepared by T. J. Sullivan and J. M. Eilers. E&S Environmental Chemistry. September Draft.
- White 1998.** Three Graces Intertidal Program: A Report on Visitor Use Patterns at Three Graces Intertidal. Prepared by Brian White, Program Coordinator, Camp Magruder. October.
- TBNEP 1998b.** Kilchis Watershed Analysis. Bruce Follansbee and Ann Stark (editors). TBNEP. October.
- TBNEP 1998c.** Trask Watershed Assessment. Bruce Follansbee and Ann Stark (editors). November.
- Sullivan et al. 1998b.** Results of Storm Sampling in the Tillamook Bay Watershed. Prepared by Timothy J. Sullivan, Joseph M. Bischoff and Kellie B. Vache, E&S Environmental Chemistry. November.
- Shreffler et al. 1998.** Ecological Interactions Among Eelgrass, Oysters, and Burrowing Shrimp in Tillamook Bay, Oregon: Year 1 (1998) Final Report (Draft). Prepared by David K. Shreffler, Ronald M. Thom, Amy B. Borde (Battelle Marine Sciences Laboratory) and Kerry Griffin (TBNEP). December.
- Ellis and TeraStat 1998.** Tillamook Bay Fish Use of the Estuary. Prepared by Ellis Ecological Services and TeraStat Consulting Group (Draft). December.
- Bischoff and Sullivan 1998.** Results of Bacteria Sampling in the Wilson River. Prepared by Joseph M. Bischoff and Timothy J. Sullivan. E&S Environmental Chemistry. December.
- Busse 1998.** Tillamook Bay National Estuary Project Watershed Information System. Prepared by Katherine M. Busse. Research Report, Marine Resource Management, Oregon State University. December.
- Griffin 1999.** A Citizen's Guide to Plankton Monitoring in Tillamook Bay. Prepared by Kerry Griffin. January.
- Stewart and Rees 1999.** A Comparison of Large Woody Debris in Two Bays on the Central Oregon Coast. Prepared by G. B. Stewart and R. Rees, Rees Enterprises, LTD. January draft.

- Schweizer and Griffin 1999.** Plankton Monitoring in Tillamook Bay, Oregon: Year 1 Report. Prepared by Dennis Schweizer and Kerry Griffin. Draft.
- Simenstad 1999.** Dike Breach Study - in prep - S. Simenstad.
- Bower and Moore 1999.** Identifying Sources of Fecal Coliform Delivered to Tillamook Bay - in prep - Robert Bower and James A. Moore, OSU.
- Moore 1999a.** BMP Study - in prep - J. Moore.
- Moore 1999b.** Created Wetlands study - in prep - J. Moore.
- Battelle Marine Sciences Laboratory 1999.** Ecological Interactions Among Eelgrass, Oysters, and Burrowing Shrimp in Tillamook Bay, Oregon: Year 1 Final Report. Prepared by Battelle Marine Sciences Laboratory, location?, for the Tillamook Bay National Estuary Project, Garibaldi, OR.
- Trenholm, M. 1999.** Evaluation of the Management Framework for the Tillamook Bay National Estuary Project Priority Problems: Phase III of the Base Programs Analysis. TBNEP Technical Report #05-99. TBNEP, Garibaldi, Oregon.
